Kate dear,
What are you doing?
Where are you? – Please write
to me. Perhaps you can
stop on the way back in Vienna.
Wanda was quite sick with
shingles – I hope Grama did
not get overworked, chasing up
and down the stairs – Do you
hear from Eva? – She is very stingy
with news – I hope all is well

She will be moving soon. Hope she can manage – perhaps you could give her a hand darling, if you are back at the time! –
We are staying here till 24–25 then Venice (probably shorter than originally planned – I am dying to go back to Paris instead of chasing around Venice) The chicks are still in Chateau d'Oex – delighted I will fetch them in a week and drive to Venice. Arthur will go by train from here – he plays in Ven. on the 27 Aug. – We stay at the Bauer Grünewald.
Love kisses your
old tired boy
Nela
