Feb. 2, 1977

Dear Monique,

Mrs. Rubinstein has asked me to keep in mind the following for her:

"The Polish book has to be delivered to Mr. Gilels on February 28th."

(She will explain further to you.) Would you remind her of this upon their arrival in Paris.

I hope this letter gets to you before their arrival! Date still uncertain but I will let you know.

Most sincerely,

C. H. Clemans
