Dear Mrs Rubinstein

A note to tell you how very happy I was to have the opportunity of speaking with you yesterday -- and, on the other hand, how sad not to be able to meet. However, Elena and I are very much looking forward to meeting you early in the new year in London and then, hopefully, in Paris too.

Please be assured that we will do everything in our power to make sure that the recordings of the Maestro are in the world-wide marketplace and are well displayed. I have passed on your idea about the airlines to our marketing people who assure me they will follow this up at once.

Elena joins with me in sending our very best wishes to you for 1987.

Sincerely,

Michael
