Mrs. Arthur Rubinstein
22 Square de L'Avenue Foche
Paris 75016, France

Dear Nela,

I have some photographs for you, but I am in hopes that you may be visiting New York in the near future, and that I would have the double pleasure of seeing you and presenting the photographs in person.

If New York is not on your list of priorities, let me know, and I will mail the photographs.

Milton Goldman joins me in sending you much love.
