Dearest Nela:

Please tell Johnny that I thought his performance was one of the best that I have seen by a young actor in many years. I hope he will continue acting in the theatre. I remember many years ago Olivier saying to Burton, "Do you want to become a great actor or do you want to become a household name?"

In a few years, with the proper classical training, Johnny could be a notable Hamlet.

Milton and I hope to see you again before you go back and send you much love.
