Dear Maestro & Mrs Rubinstein

I thought that you would be glad to see the Press Notices from the Harrogate Festival. On the whole I think they are excellent although the Times seems not to have been quite so impressed. Anyway it gives us a strong basis upon which we can build.

I have just discovered that a very close friend of mine Derek Bailey has been invited to direct the official film of the Rubenstein Competition in Israel. He is not only an exceptional Television Director but a really nice person and I know that you will enjoy meeting him. I do hope that if it is possible for you to help him in any way that you will - its certainly going to be quite a tough assignment!

I shall very much look forward to seeing you in October when you are in London.

Rachel joins with me in sending our very best wishes and love,
as ever,

Michael
