Mr. Arthur Rubinstein
22 Square de l'Avenue Foch
Paris 16, France

Dear Mr. Rubinstein:

I am sincerely sorry for the confusion which you mentioned in your letter of September 8.

Now, in order to clarify matters, let me give you the following information: I personally spoke with Harry Zelzer about your Chicago date and he told me that in order to make the engagement as attractive as possible he was hiring the entire St. Louis Symphony with Walter Susskind conducting. Also, they will be happy to present the Chopin Concerto No. 1 in E Minor, if this is acceptable to you.

I spoke to Mr. Hurok about this when he returned this morning and he is writing to you today.

Again, my apologies about the Milwaukee recital date. We now have your repertoire scheduled as follows:

Sonata in E-flat, Op. 31 No. 3 - Beethoven
Carnaval - Schumann

I n t e r m i s s i o n

Valses Nobles et Sentimentales - Ravel
Barcarolle)
Two Waltzes) - Chopin
Scherzo in B-flat Minor)

In addition to the above, the Philadelphia repertoire is confirmed as follows:

My very best wishes, as always,

Yours cordially,
