Dear Mr. Rubinstein:

On behalf of the Polish Arts and Culture Foundation I am writing to you to find out when you will be in San Francisco and if it would be agreeable with you to have us hold a reception for you. Please let us know your preference in this matter.

Concerning another matter, the Foundation is interested in obtaining the film "Love of Life" made in 1968 about you. Can you please tell us where we can get this film? We appreciate your help.

We hope to be hearing from you soon.

Sincerely,

Wanda Tomczykowska
