NEW YORK, N. Y. 10019

Jan. 30, 1977

Dear Mr. Rubinstein,

Thank you so much for the golden opportunity to play for you today. It marks one of the most memorable days of my life and I will always treasure today's meeting with you.

I hope that I gave you some pleasure as well. I would like to think that the hour and a half you sacrificed for me was not wasting your time.

My very best wishes to you again and I bless you a thousand times.

Joseph Villa
