My dear Mr. Rubinstein:

As an amateur violinist and devotee of classical music, I have long been an admirer of your great keyboard artistry. It has been my real privilege to attend many of your past performances here in Minneapolis and they have been thrilling.

Through the years I have assembled a collection of autographed photographs of noted concert artists and I would be most grateful if you would be so kind as to send me an inscribed photo for my studio gallery. It would be a most welcome and treasured addition.

Thank you for your courtesy and best wishes for continued health and happiness.

Respectfully,

Archie D. Chelseth
