Dear Mr. Rubinstein!

We are eagerly looking forward to your concert on February 22nd. We would be very happy if you would allow the Foundation to give a cocktail party for you as the Honorary Member of the Polish Arts and Culture Foundation. As you know, we are a small group, and we envision a relaxed gathering at the San Francisco home of one of our members.

If this is agreeable to you, please let us know at which hour you would prefer to have this party. Please, be kind to send this information to 3308 Claremont Avenue, Berkeley, CA 94705.

With very best wishes we remain

sincerely yours.
