October 18, 1974.

Dear Mr. Rubinstein:

You are an inspiration to all of us.

Your utter composure and the infinite control of your playing bring the music to a sublimity few achieve.

You are blessed with good health in body and mind – in which we all rejoice.

Thank you for the Beethoven and Brahms on the Exxon sponsored Great Performances televised on October 16th.

Sincerely

Alice Monninger Stempel
(Mrs. Guido H. Stempel)
