Dear Mr. Rubinstein,

Some time ago I had the pleasure of seeing you on a television talk-show. I remember you saying that you were from Lodge, Poland. This aroused my curiosity as my Mother is from Lodge, Poland and her mother's name was Mara Rubinstein, born in the area of 1893.

I am especially interested in the possibility of some relationship because, besides my parents, all my relatives were murdered in the second world war.

I would appreciate receiving any information you have on your background and relatives that might lead to a clue of a relative.

Sincerely,

Herman Susser
