Dear Maestro,

Max stopped by yesterday to tell me that all is proceeding nicely with the editing and mixing of the Beethoven concertos and the additional delightful news of your intention to record Mozart with Sascha Schneider and the English Chamber Orchestra. Our London office will oversee the preparations and naturally all of us are delighted. I suggested to Max that this might be a good time to persuade you to record K. 503. I hope you will be receptive to this idea.

New York has been unbelievably hot this last week and I read that things have been fairly fierce in Paris as well. I hope that you and Mrs. Rubinstein were able to escape the swelter.

With all best wishes to you and to Mrs. Rubinstein,

All best,

Thomas Z. Shepard

PS In about a week's time I'm going to send you a specially tailored PETER AND THE WOLF script. This will be my final effort in this regard. I hope you will respond favorably to it.
