Dear Daddy,

How are you? I hope you are well. Mummy called you last night. Did you talk to her? I am so glad you are coming in two weeks. I miss you very, very, much.

We are having a Christmas dance at school and I am taking Eva. It is formal and will be on the fifteenth. I hope that if you are here you will go.

Muriel sent me some walnuts and I just wrote to her to thank her for them.

We are all fine here at home. At school we are practicing carols for the Dance. we will also have a military drill.

Mummy has kept me from school today because we have guests for lunch. Villa Lobos and his wife are coming. I hope All all are soon.

Your Loving son, Bill
