LEONORE R. ELKUS BOX 180, R. D. 3 LIGONIER, PA. 15658

Dear Arthur -

How warm & exciting the hour and a half (which seemed like minutes) with you, Nella & your music was last Friday!

I was here with some friends - Peggy (my daughter whom you have met) & our housekeeper - & you kept us all enthralled by being as always yourself! The sound (ones)

was exceptionally fine for
TR - somebody at Y.B.C.
went to lots of extra trouble
& I plan to write - & con-
gratulate them & on the
sensitive photography
& editing too!

It made me terribly
homesick! I do hope
this winter - when I get
to N.Y. we can all get
together for a few minutes
I seemed so sad to see
you & Nella!

In the meanwhile
God bless you & keep
you safe!

Bed steddy

Lady Elkus
