Dear Arthur:

Feb 22

I look forward with much interest & pleasure in reading your Autobiography as soon as its released by your publisher

Knowing how close you felt towards my parents I am enclosing a few snap-shots which I am sure will bring back pleasant memories to you.

Furthermore its possible you may want to use these pictures for your book.

If you have absolutely no use for them I would appreciate your returning them to me

If you recall I did send you some photos a few years ago & the enclosed are the last that I have of you. the Kaharlis & my parents with you.

with warm regards

sincerely

Philip

Dear Philip,

How very, very sweet of you to send me those charming photos of your parents with me and the Kochanskis. I simply cherish them, and I hope to be able to use one or two of them in my book. It depends, naturally, on my publishers. As a matter of fact, I just finished my book, and it is not in the process of being edited, so, soon, it might be finally realized.

I am leaving for Europe tomorrow, but coming back in October when I really wish to find the good moment of seeing you in person.

Thanking you again,

Affectionately,
