Dear Mr. Rubinstein:

You've just about finished your tour and here I am bothering you again about summer dates.

I have a vague idea that you may have decided what you are going to play at the Aspen Festival. Would you be good enough to let me know if you have reached a decision.

I would also appreciate your letting me know what you would like in the way of accommodations at Aspen and when you plan to arrive.

There is a rehearsal scheduled for July 3rd but the feeling is that it would be advisable to be in Aspen a day or two ahead of time to become acclimatized. I'll appreciate hearing from you about it all.

With best greetings to you and Mrs. Rubinstein.

Sincerely,
