My Dear Mrs. Clemans:

I had hoped to see Mr. Rubinstein when he was recently in Philadelphia, but since I did not write him prior to his engagement that I would try to see him,I did not bring my copy of his book to the Academy.Therefore I am enclosing a card which I will premanently affix to the inside cover,if Mr. Rubinstein would do me the great honour of signing it. (NO CARD)

Thank you for writing to me last year suggesting I get in touch with you in the fall. The pressure of Parish affairs prevented my doing this until now.

Please accept my sincere thanks for your kind attention to my request, and extend to Mr. Rubinstein my thanks and hearty sincere good wishes.

Yours Cordially, and with prayers,

James M. Harvey
