Mrs Rubenstein,

I want to thank you, first of all, for your wedding gift! It was so generous & sweet of you! Secondly, for your help with our party here! The Bego's, was a huge success!! The main reason I made it was so a piece of you would be here with us that night to celebrate! And last & most important, is to thank you for your son! He is the best thing that has ever happened to me! I love him very much & am proud to be his wife!

Thank You! With Love, Jane
