A Life in Music

■ The 100th anniversary of the birth of one of the giants among classical music performers of the 20th century will be marked in **Rubenstein Remembered**, an "American Masters" presentation (*Channel 9 at 8 p.m.*). We refer, of course, to Artur Rubenstein, whose actor-composer son, John, serves as host for the retrospective. The long career of the great pianist, who died in 1982, is traced in film footage, still photography and home movies. A highlight is John Rubenstein's pilgrimage to his father's birthplace in Lodz, Poland, where he conducts a memorial concert with the Lodz Philharmonic.
