A MASTER'S APPRAISAL

Just before his departure for Europe after completion of his concert tour, the distinguished concert pianist and STEINWAY artist, Artur Rubinstein, made a visit to the Steinway Factory to see the actual building of his favorite instrument and to try some new STEINWAY concert grands. During the course of his visit, Mr. Rubinstein watched the bending of a concert grand rim. Shown watching the bending process are: Mrs. Artur Rubinstein; Mrs. Henry Z. Steinway; Mr. Artur Rubinstein; Mr. Henry Z. Steinway.

At right below, Mr. Rubinstein is shown in earnest conversation with Mr. Fred Drasche, Foreman of the Tone Regulating Department at the Steinway Factory.
