NELA RUBINSTEIN

Dear John,

on your 75th anniversary

I am sending you my very, very, best wishes to continue many years in good health and happiness!

I also want to tell you how much Arthur and I treasured your friendship during all those ~~so many~~ years. ~~and~~ ~~how much~~ all the pleasure your music and your company gave us - The lovely times we had together - I shall always remember and hope

that our affectionate relationship
will always remain the same!
In spite of Arthur not being with us any more
Happy birthday love &
kisses from

Nela (also 75!)
