Kathryn dear, thanks letters etc — am enclosing the schedule it is correct except for Wash. — because we stay at Mrs. Robert Bacon 1081 F Street Wash. DC. — tel. Metropole 1081 — if something was urgent. — After went to Richmond I am leaving tomorrow to meet him in Wash. — All is well — hope home too — miss the children very much! Am jealous you can see Lali — every day — I do hope there will be no domestic troubles upon my return

I don't think I could stand it! — Tell Eva that I have started a letter to her since 2 weeks and could not finish it!! — Is she any better in her studies? — How is the weather? here since two days it is cold & snowy and the wind is blowing our heads off. I did not see half of the people I should have — but it was physically impossible — How is Paul — his glasses are in the steel cabinet in your room you can send them to him. but all the trouble is I am sure from reading comics — or bad light & bad position — I would ban the comics entirely his eyes have been checked and they are perfectly all right — just a tiny astigmatism. Give my love to yourself the girls (meaning Erminia & Lali) Mrs. Gates the girls (meaning Tina & Beulah) & Kannipo if you should see her — My hand is shaking forgive the writing
