Kate dearest, we are a few swimming steps from Havre - Everything is packed shipped - we are a bit late because there was a little fog in Plymouth - in the morning. - The trip was wonderful.

Could you be an angel and dish some pictures in my drawers, of Amy and the girlies also one envelope with pictures of me in the Chinchilla coat - and a few others, they are on the right side in an envelope Also Arthur left his blue woolen pyjamas which he will need later. If you have too much weight send a suitcase by

air freight. — Did you get the tickets changed? I never said good bye to Sally — please do it for me.
I think I can use also two more dozen of stockings for Poland under a dollar size 10.
I am sure that in every letter I shall be asking you for something as I predicted — Bear with me Katie! — How are the children? No measles? — Is Lana still in complications?
All my love and kisses to them and to you bless you all your

Nela R
