Kate dear, finally I have the check from Jerry – the other one is from Wanda to me for Barbara – Please deposit them both right away Jerry' to the household & Wanda for me. I am going crazy trying to figure the right thing to do about the children – Probably nothing will happen – and yet it is such a responsability! – Maybe they should wait through June go to Eva or something and then come. What a darn bore – this all is – I want to be with them! – You must be on your last legs too – of course you could leave them alone in Williamstown

PS —

I must run —
this is only plan planning —
for the first time in my life
My summer was planned
and look what happens! —
I love you

We shall telegraph you
the decisions — this is
