Dearest Nela.

I hope this note finds you in the best of health - and that your recovery is by now complete. I realize you are staying with the family of our great friend Tamara Chapro - please give her our love, we love her dearly.

The day after tomorrow we leave for England, and will have the pleasure of seeing and being with Arthur - what a pity you

will not be with us. For Pessah Abe & I are coming to the States, unfortunately California is so far away from N.Y. otherwise we would have surely come to see you. In any case I shall call your daughter to hear about you.

So be well, my dear, and take good care of yourself.

Abe joins me in sending you our love.

Yours
Carmella.

P.S. Gossip: the other day we have had the pleasure of having dinner with Mr. Bistricki.-
The picture of Nela Rubinstein, framed and enlarged, adorns his bedroom. The living room, includes at least some other 10 different

sized photos of the maestro, you - and both of you in various variations. I am afraid that after the next competition - he will have to move into a larger apartment.

The man is a bore, but means well, so we will have to suffer him.
