April 21st

Dear Mrs R.;

Sorry to bother you but just in case you might possibly want to come and hear some Szymanowski, I think I gave you not the exact dates as they were changed a lot. The recitals are May 23, 25 and 29 and the Symphonie Concertante is June 6. I only just got home tonight from Glasgow and London where I was playing Brahms 1 and Bartok 3 respectively. Next week I'll be doing Liszt in Chicago. I'm tired!

I do hope you are very well and send mad love

from

Nina
