Dear Nela,

I am off to 18 Square Avenue Foch today for the week, and of course wish you were next door.

However, I spoke to Arthur, and he told me that you were working hard on your cookbook in New York. I AM VERY PLEASED ABOUT THIS!

My two Nela outfits are tremendously useful, and I am very grateful for my care package!

Ring me when you get back, and I send you much love,

P.P. B. Guildebrand
