IRVING PAUL LAZAR
ARTISTS' MANAGER LITERARY AGENT

3 December 1976

Dear Nella:

Received the manuscript rather tardily but have just finished reading it and I think it's just wonderful.

I'm sending it off to Bob Gottlieb and I will see him next week in New York at which time we'll discuss it and I'll then call you in Paris.

My congratulations to the Maestro.

Love to you,

Mrs. Arthur Rubinstein
