Dear Nela:

Sorry to barrage you with so many letters, but would you please ask Mr. Rubinstein if he would consent to add one concert to the west coast schedule: State University of Arizona at Tempe, Arizona, on November 24. This is one of the leading universities in all the west when it comes to cultural events. They have a beautiful new hall where most of our major artists have performed in recent seasons, and they have begged me to write you specially to see if they can be included in Mr. Rubinstein's tour.

Please let me know as soon as you can. This would make a total of nine in the fall tour - and one more important concert for Janina!

I expect you will be going to Spain soon and I hope you will both have a happy and restful time.

With best love,

Yours as ever,

Walter

P.S. - Agnes is making remarkable progress and if it continues at this rate, ought to be pretty much restored within the next month or two!
