NRM

Dear Mrs. Rubenstein,

I had this little present, but in all the excitement, I forgot to give it to you. I hope it will make the wearing of glasses a little more pleasant.

Thank you both for making the Maestro's and your visit such a lovely and memorable experience for all of us. We shall never forget it.

Edward and I hope you are well
and enjoy the Maestro's very Happy Birthday.

Fondly,
Nancy Rubenstein
