Dearest Mama!

Thank you for the beautiful time you always give me in New York - I miss it so much! I just wanted to wish you success for the dinner on the 2nd - and I'm sure the food will be marvelous! (Of course I'm slightly biased!) Robin was satisfied with the mittens and we had a cake, and all was just ducky - I got a B- on the history exam which I thought I had done so badly on!! That's quite a high mark and he wrote some nice comments on it! - That was nice - otherwise everything is about the

same as usual - lots of work, noise, girls, food - I did start my exercises I hope I can keep it up! - will call Eva tonight about going to New Haven on Saturday - Friday night I'm going on a "blind date" with a boy in the Harvard - Radcliffe Orchestra so I'm not too sure they'll let me go away on Saturday -

Haven't had my piano lesson yet - The music hour exam was difficult - I don't think I did too spectacularly on it! - I wrote and thanked Mrs. Mann for her gift, and wrote to Papa - Two girls had their purses disappear from their rooms!! I have more Biology this afternoon UGH!!

all my love and love to Paul & Johnny!

your silly daughter
