TO PARIS

Dear, dear, dear Mrs. Rubinstein,

How typical that you should be calling me just as I was deciding in the postoffice for no reason at all not to send the box of shirts! When I came back with the box my husband couldn't believe it. The cost of sending it airmail (around $23.00) also staggered me. Am going to find out how much it would be by boat ("six weeks.") ALSO - re fuschia-colored shirt, "too much bookkeeping to remove - but write back the shirt you want for free." At this point, it sounds ridiculous for me to relay all this to you.

Re business: I return herewith the Steinway check of August 24th of Mr. Rubinstein's account, #989, for $185.00. Mr. Rubin wrote "bookkeeping error - "no charge"...full of apologies - and of praise for you, especially - "if everybody were as wonderful and understanding as Mrs. Rubinstein, the world would be a much better place."

Re the American Jewish Congress - I telephoned - "Mr. R. will not be coming to the U.S. in November in all probability - does not think it feasible to make definite promises and commitments so far in advance, etc." Mr. Freedberg understands - "But still hopes that he might come (1978) for the April 17th opening of the American Ballet, and receive the Stephen Wise Award." They will never give up. To just refuse point-blank???

I wrote to Mrs. Krance - "your plans indefinite right now"-"perhaps later in Geneva??" (Thought also OK to say things not going well).

I called Mrs. Jones that Miss Fialkowska would be bringing back the MS. I called Miss F. just now re MS, that I would get it from her and take it to Knopf's. She leaves tomorrow, gets back the 29th. (IMPORTANT - I can get pages xeroxed for around 7¢ each - would you want me to do this for you?) She did not ask anything about Spain - or about anything.

Re Marbella - began to think that despite Pepa's insistence that the mirrors and paintings be put in pantry closet they should have been left in bedroom closet. Those bugs????

See personal letter enclosed.

My love, as ever,

EHC

Eva did not know what roll of film was - "New Haven???"

To my patients and friends:

I wish to inform you that I intend to retire from private medical practice in a few weeks.

My colleague, Dr. John Rich, 15 West 81st Street, New York City, Tel: 877-6151, a member of Mount Sinai Hospital Staff agreed to take care of my patients after my retirement. Your files will be in his possession and I will furnish Dr. Rich with all the necessary information. Dr. Rich is a highly competent physician and I am sure he will serve you well. If, however you decide to use the services of another doctor your files will be mailed to the physician of your choice.

I take this opportunity to thank you for the extraordinary gift of your steadfast confidence and faith. You entrusted to my hands the most precious of your possessions, that of your health and wellbeing. Over so many years, in good and difficult times I tried to serve you to the best of my ability. And now that I am about to retire I feel the need to express my gratitude for the wonderful friendship my patients have shown me throughout my professional career.

To serve you was indeed a great privilege. It gave sense and meaning to a great part of my life.

I intend to practice until September 15, 1977. After that date my office will be closed.

Thank you once again.

Emanuel Stein, M.D.
