Dear Miss Whitestone,

Wanted to reassure you that the letter to David went off - at once - special delivery. (His address is: 186 Boulder Trail, Bronxville, N.Y. 10708). Sorry to be so late in answering. Am OK now - just over a miserable cold.

Am enclosing two letters for Mr. Rubinstein - re the New Jersey Symphony Orchestra - and "formal invitation" - nothing has arrived.
I also enclose a bill for Mrs. de Stuckenberg - which Mr. Rubinstein has always paid in the past.

I do hope Mr. Rubinstein is feeling better - it is no fun not feeling up to par.
With best wishes for the New Year -

Sincerely,

C. H. Lehmann
