Dear Arthur,

We loved seeing the film last NT. It is so full of life, so natural, so moving. And, incidentally, it should sell more books as it is distributed in the U.S. because how could anyone who saw it not want more of you?

I do thank you for asking us to come and I am only sorry we couldn't go on to the dinner. But wouldn't you let me take you to lunch while you are in New York. I'd really like to and it would give us a chance to talk. Will you give me a call? "bestiere"

Best wishes,

Judith
