Dear Mr. Rubinstein:

I am enclosing the list of your concerts for next season which I hope are in accordance with your wishes. In the event you agree to do the University of Arizona on November 24 we will of course be happy to notify the auspices there.

You will recall I mentioned to you the possibility of a single Pension Fund concert with the New York Philharmonic on December 8th. It has not been possible as yet for the Orchestra to clear this date with the halls, but they are still working on it and would like very much to offer it if the schedule can be worked out.

Not included in this list are the dinner in Boston on the 23rd of October and the Scopus award dinner in Los Angeles on November 5, both of which you have agreed to accept.

The Bienstock office has vetted all the contracts and we are ready to finalize them as soon as you will let us have your confirmation of the schedule.

As soon as repertoire requests are definitely given us by the orchestras, I will let you know and ask you to confirm the choice of concertos.

With very best greetings to you both,

Yours as ever,

Walter Prude
