Dear Mr. Rubinstein:

I have just seen your letter of September 8 addressed to Sheila Porter.

I am glad to know first of all that you have found the old programs for Vancouver, Portland and San Francisco. I note that the program department sent you again the old programs for Los Angeles, both recital and orchestra, on August 25th.

I am distressed about the misunderstanding concerning Salt Lake City and in our previous letters to you I think it was always noted that Salt Lake was with the Symphony, with rehearsal the previous day. Herewith is copy of my letter of March 5th.

The Los Angeles Philharmonic requests Chopin F minor and Beethoven Concerto No. 5 for November 8, and they are also anxious to have the recital program at the earliest possible time. Your recitals in Los Angeles of December 1972 and January 1975 were sent you by the program department on August 25.

Since Los Angeles needs both recital and symphony repertoire in time for their printing deadline of September 21, I wonder if you could possibly cable this information.

With best wishes,

Cordially yours,

Walter Prude
