Dear Mrs. Rubinstein,

A bright, sunny day here...no telephone messages...nothing extraordinary in mail - mostly fan mail, appeals, etc.

I was worried over Miss Opperman's telephone call to me at home Monday night re the Brandeis University reception, as I immediately recalled showing the correspondence again to Mr. Rubinstein before he left, and his saying "Don't worry, Mrs. Clemans, they always capture me." The chronolig~~al~~ICAL! order of it was that they wrote the Hurok office in Los Angeles on October 15, 1968, the letter was automatically forwarded to him in Paris, Mrs. Fajon sent a letter back on October 23rd, accepting the invitation for the reception, but regretting the dinner invitation. "However, I am sorry not to be able to dine with you on that same evening." A letter forwarded by the N.Y. Hurok office just confirmed that they were looking forward to March 23rd. Mr. Rubinstein indicated no answer was necessary - and that is the last thing we ever heard. Did all go well?????? They obviously knew where to get him through the L.A. office.

Mr. Walter told me that he had spoken to Mrs. Chapman, and when he explained to her that actually she had very good tickets (on the aisle) she was satisfied - .

Miss opperman has confirmed that there will be a rehearsal on April 5th at Philharmonic Hall from 10 to 12 - then you take a 3:30 plane to Washington. Another rehearsal at Philharmonic Hall on April 8th at 10 - 12:30.

I assume you will be back on Monday, the 31st????? Am sure you are enjoying California.

Love,

CHC

P. S. We go on a much later flight - at the ungodly hour of 1 a.m.!
