Dear Mrs. Rubinstein,

As Public Relations Counsel for The American Symphony Orchestra and Leopold Stokowski, its Founder and Music Director, I would like to thank you and your husband for accepting to be on the Arrangement Committee for the Tribute that we are planning on the 18th of April at the Plaza, to celebrate the Maestro's 90th Birthday. He is doing an amazing job with The American Symphony Orchestra, basing his work on a small corps of seasoned musicians and assembling around them young musicians. He rehearses the orchestra constantly himself, has young conductors on the sidelines and then has them conduct in front of him. It is terrific work and it is amazing that he can do it at his age. He does it all gratis and occasionally puts up his own money.

The tickets will be $100 (tax deductible), all proceeds going to The American Symphony Orchestra.

I am enclosing a list of friends who have accepted to be on the Arrangement Committee and I will keep you posted on our progress.

Thank you so much for giving your names to this very worthy cause.

Yours very sincerely,

Serge
