Dear Mr. Rubenstein,

Many years ago I had the great pleasure of meeting and talking with you after your concert at the White Plains County Center. At the time I was associated with Warner Brothers Pictures and writing an article for a Westchester magazine, and my friend, Mrs. Olney set up our meeting. I'm sure you don't remember, as it was about thirty years ago. After the interview, you were most kind in giving me a beautiful autographed photograph.

The reason I am writing you is that this photo was stolen along with many others I had received, and I would very much like to replace this most treasured gift.

I am enclosing a picture from my collection that I would appreciate you again autographing, along with a return envelope, for your convenience. I you happen to also have a more recent photo to include, it would be greatly appreciated.

Many thanks for the pleasure you have brought to me and your many other admirers for these many years.

Cordially,

Bill Callahan
