Dear Mr. Rubinstein,

Last night I heard you play in Charleston, S.C. It was something that I have always wanted to do but never expected to be lucky enough to do. You were beyond all my expectations which were considerable since I am quite a collection of your records to which I listen regularly! How I wish I could tell you how much it meant to me to hear you + to meet you afterwards. My only regret is that I wasn't upon that stage to watch you play!

After my family, music is the biggest part of my life. It did me good to hear you tell the young piano

student in front of me to work - work hard - since that is what I preach to my students - When I quote you on it, it certainly should carry much more weight!

Thank you for an incomparable evening. It's a memory which I shall cherish for a long, long, time -

In profound admiration,

Joan H. Jordon -

P.S.
Why have you never recorded the Chopin Etudes? How I'd love to have them -

J.J.
