Dear Mr. Rubinstein,

We were delighted to have heard you perform this past season in Toronto. When we moved to Toronto from New York last summer we did not expect to be able to hear you play again so soon.

Among our most happy concert-going memories are your performances of Beethoven's 3rd, 4th and 5th Concertos and the 2 Brahms Concertos at 2 concerts at Carnegie Hall, and the rehearsals for those 2 concerts held at Carnegie Hall on the morning of each concert, which we also attended. At these occasions, we met and discussed with you your playing of the slow movements (particularly of the Emperor) which we felt (and you agreed) even exceeded in poetry your beautiful recordings, which we own and love.

We have recently begun to collect autographs of our favorite composers and musicians, and we hope that you will take the trouble to add a signed photo to our growing collection.

We obviously hope that you will also return again to Toronto. Please accept our thanks and very best wishes.

Your admirers,

Michael and Beth Schulman
