Should though the result of their meeting result in uncovering different ways of thinking - Arthur is decided not to sign the contract with Knopfs.

We strongly feel that the incredible success and the impact of the film, in which Arthur's personality was allowed to be shown in its total naturalness - was due to the fact that he was himself devoid of any artifice. The same thing is essential in the book. ~~even if it~~

I hope you understand our attitude -

Of course Arthur ~~will be~~ is ready to go carefully through the manuscript. ~~to find spots~~ eliminate any parts that might ~~not the~~ not be fit for printing from the moral or legal point of view

Please let me know if and when Mrs. Jones can meet with Arthur - We are staying here until the 8th of September - than will be in Paris for 10 days before leaving for Israel. I suggest that Marbella is the best place ~~as it is a~~ for work -

Can ~~the date~~ the deadline be moved to Oct. 15 ~~on the pa contract~~ before signing as impossible to finish in spite of Arthur writing 10 hours daily ~~and not stopped~~ not playing and his ~~commitment~~ concert season imminent
