Zola Shaulis

22 square de l'avenue Foch
Paris, February 27, 1973

Dear Miss Wells,

Thank you very much for your letter of February 14. My husband and myself were delighted to hear that you have engaged Mrs.Zola Shaulis, to play for you in April.

She is a wonderful pianist, as a matter of fact, I made the strip especially to Lubeck, Germany, to hear her play Prokofieff's Concerto with the Orchestra there, and I was very much impressed by her performance and the success she had. I hope, therefore, you will not be disappointed.

I shall be in Marbella in March, I am not sure of the date yet, but I hope we will be able to meet then.

Thank you for your concern about my husband, he is well now , but having a most crowded schedule not only for concerts but also working on the coming publication of his Mémoires in English and in French, early this Spring.

With best regards from both of us,

Yours sincerely,

Mrs.Arthur Rubinstein
