16/6/75

Maya,

Madame told me you are leaving Chelles and going back to Cité des Arts. I have tried to telephone you at Cité des Arts, but itis always occupied.

This is to remind you that you have to tell Hanlet
6 rue de Lisbonne
tel : 387 43 45

to come and fetch the piano, which was hired only until June 1975, as you will remember.

Please let me know when this is done as Maison Hanlet knows nothing.

Thanks

M. Fajon
