Dear Mr. Emerson,

A young pianist Maestro Arthur Rubinstein being interested in him, is going to play at Wigmore Hall

on May 6, 7.30 p m

his name is Avi Schoenfeld. The Maestro would be very much obliged if you could go to hear him and then give him your opinion of his playing, and also the reaction of the audience ?

Please do not speak to him as the Maestro and Mrs. Rubinstein want the opinion of someone unknown to the man.

Thank you already.

Yours very truly,

Se cretary
