# NOT ONLY HAVE YOU GOT MORE BOUNCE TO THE OUNCE...

Hello darling - how
are you? I want you
to have a word of
love from me on your
birthday so I hope
this finds you. I
was desolated not
to see more of you
in B.H. I had no idea
Marguerite would want
to return to Riverside
so ~~so~~ quickly. Tried
in vain to reach
you on the phone.
Was hoping you &
the Wilcoxs would
make the drive down
to Riverside. I really
had a very scattered
feeling having looked

...YOU BOUNCE THE
RIGHT OUNCES
!!!

Happy Birthday!

forward to your coming to B. A. and then to have it all pass so quickly. We are developing a very lovely place here gardenwise & I hope some day you will see it. These pictures will give you a small idea. The heat has been devastating in Ny - is Lali there? Take care and remember I love you

Happy Birthday
