

27-th March

Cunard White Star

R.M.S. Queen Mary

Dear Arthur and
Kela,

Thank you very much
for the most beauti-
ful roses. I hope that
everybody in your fami-
ly feels well. Keliie
and I are already
looking forward
to see you in Paris.

We are very much
in love with you.
The first three days
were shaky; it did
not affect us though.
Many russians on the

boats. Kalia plays chess
I - canasta, not too
successfully. The food
is so so - sometimes bad
sometimes worse, but
once in a while we
eat well. Tomorrow
the trip will be over.

For so many acti-
vities it seems even
too short.

Love

Fania ^{dispro}
