My Dear Arthur Reberstein —

I do hope you were not annoyed with me last nite when I chose not to accept your kind invitation to join your party after the concert. But when I listened to all those people chatting happily in Spanish I felt like an intruder. Please do forgive me.

I will be in London at the Savoy for 2½ weeks.

Should you be there, please
call me. I would love to see
you + invite you to see some
of our new film which we will
be editing there.

Again let me say, how
nice it was to chat with you.
Your concert was estupendo,
But you don't need me to
tell you that. The audience
as we say "took the words out
of my mouth"

Much love
Sincerely
Burt Lancaster
